

Eco Capture

HDMI 4K Plus M.2/12G SDI 4K Plus M.2

Quick Start Guide

Eco Capture HDMI 4K Plus M.2

Packing List

- 1 x Eco Capture card
- 1 x Quick Start Guide
- 1 x LVDS 0.5PH 20-Pin cable
- 1 x LVDS 0.5PH 20-Pin to HDMI adapter

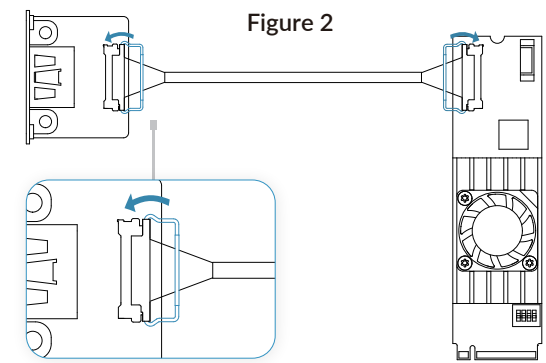

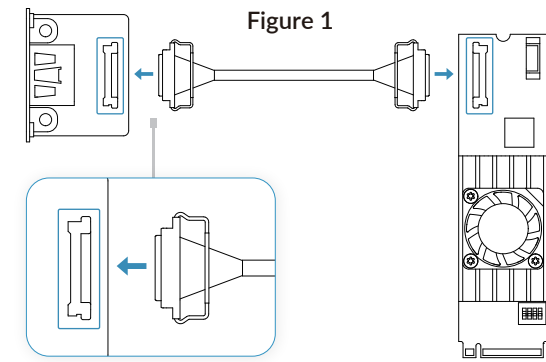

Connections

1. Align the plug connectors (CABLINE-VS connector) with the receptacle connectors on the Eco Capture HDMI 4K Plus M.2 card and the HDMI adapter. Insert them parallel into the receptacle connectors, as shown in Figure 1.

⚠ Caution

Do NOT use the PULL BAR for insertion of the connector. This may cause deformation of the PULL BAR or cause the rotation axis to drop out of the connector.

2. Turn the PULL BAR to the receptacle connector side and lock it, as shown in Figure 2.
3. The devices are connected.

Eco Capture 12G SDI 4K Plus M.2

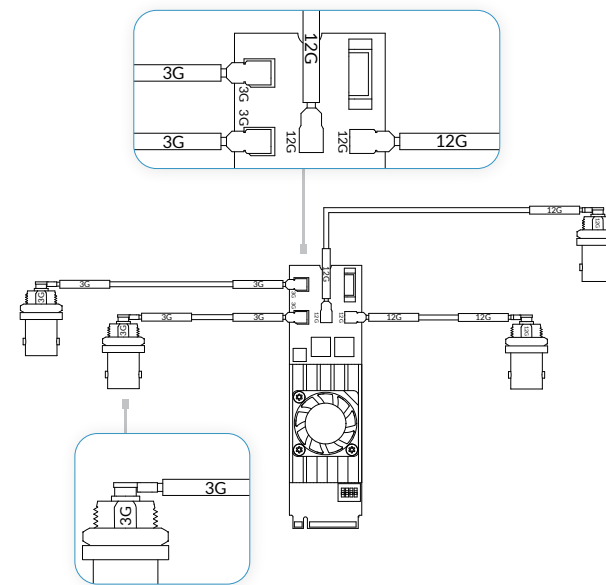

Packing List

- 1 x Eco Capture card
- 1 x Quick Start Guide
- 2 x 3G BNC connector
- 2 x 3G SDI cable
- 2 x 12G BNC connector
- 2 x 12G SDI cable

Connections

1. Mate one plug of the 3G double-ended cable assembly marked with "3G" to the BNC connector marked with "3G". Mate the other plug to the PCB receptacle marked with 3G.
2. Mate one plug of the 12G double-ended cable assembly marked with "12G" to the BNC connector marked with "12G". Mate the other plug to the PCB receptacle marked with 12G.

Note: When mating, align the mating axes between the receptacle and plug, and insert the plug downward and perpendicular into the receptacle.

⚠ Caution

Follow the diagram instructions to mate the connectors with the PCB receptacles. Damage to devices caused by mismatching will not be covered under warranty.

Warranty

Product	Duration of limited warranty
Entire device	Two (2) years
Accessories	One (1) year

For detailed warranty information, refer to:
<https://www.magewell.com/quality-assurance>

This guide is for reference only and does not constitute any form of commitment. Products and product features (including but not limited to color, size, screen display, etc.) are subject to change without notice and are as found on the actual product.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
