

# PRO CONVERT HDMI/SDI to NDI® Quick Start Guide

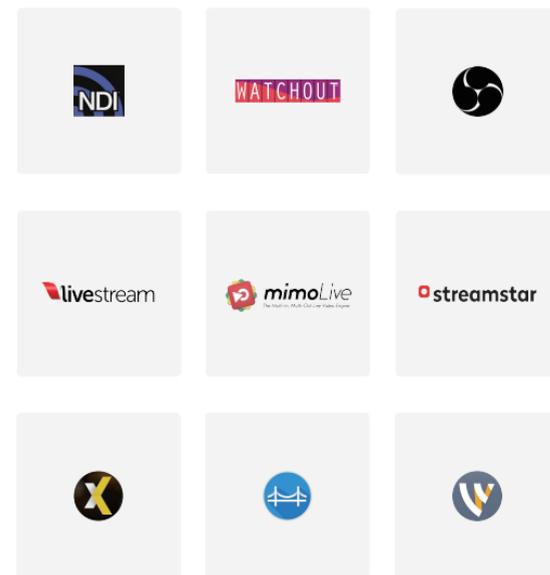

## 1. Hardware

### Packing List

- 1 x Pro Convert Device
- 1 x USB Type A to Type B cable
- 1 x Tally Light
- 1 x L-bracket
- 1 x Quick Start Guide
- 1 x 5V/2.1A power adapter
- 1 x Mini DIN8 to DIN8+DB9 cable

## 2. Compatible NDI® Products

Pro Convert is compatible with any NDI®-enabled software, including but not limited to the following.

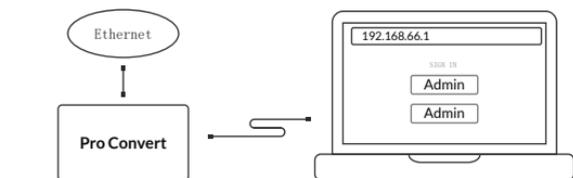

For the latest list of compatible software, please visit: [www.magewell.com/compatible-software](http://www.magewell.com/compatible-software)

Pro Convert is also compatible with any hardware that supports full-bandwidth NDI technology, such as the NewTek TriCaster.

## 3. Get started

1. Connect the converter to your LAN and power it up.

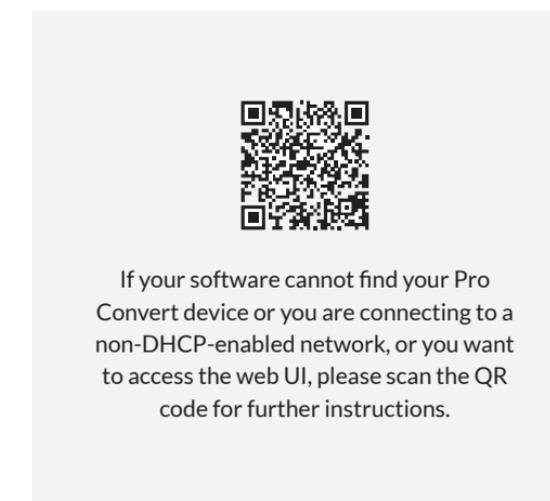

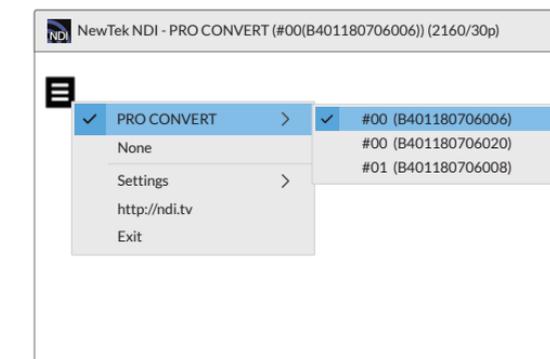

2. Connect a video source.

3. To access the NDI stream encoded by your Pro Convert unit, launch your NDI-enabled software and have it scan for NDI-compatible devices on the same LAN network.

4. The Pro Convert device will appear in your NDI software listed as “PRO CONVERT > # (Board Index)+(Serial Number)”.

The Serial Number is the unique string marked on the back of your Pro Convert unit.

The Board Index is the number you have set using the rotary switch on the device.

## 4. Warranty

The duration of the free limited warranty is two (2) years for the Pro Convert family and one (1) year for the accessories. For detailed warranty information, refer to [www.magewell.com/quality-assurance](http://www.magewell.com/quality-assurance)

NDI is a registered trademark of NewTek, Inc. All other trademarks are the property of their respective holders.

This guide is for reference only and does not constitute any form of commitment. Products, product features (including but not limited to color, size, screen display, etc.), availability and specifications pricing are subject to change without notice and are as found on the actual product.

## 5. Technical Support

If you have any problems using Magewell products or need more technical information, please submit your questions in the online Ticket System ([tickets.magewell.com](http://tickets.magewell.com)).
